NT - We are really sorry, but we have been unable to provide a time on this occasion. This is due to an error being made by the swimmer during the swim. Details of any error are passed onto the swimming teachers for discussion with parents and swimmers, and to enable teachers to plan future lessons. We hope that swimmers will have another go soon and be more successful for their next swim.

[Future short distance swim opportunities for swimmers that took part at this gala](#)

Andover Third 50 Metre Championships September 2016 that are all 50 metre swims
 Andover Age & Aggregate Championships November 2016 that include 25 metre swims for under 10's, and 50 metre swims for the under 12's

Furthermore some swimmers may be invited to attend galas and swim as part of the team when the club competes away versus other clubs.
